EDUCATIONAL QUALIFICATIONS

B.E.	Electronics & Communication Engg.| RTMNU, Nagpur University	9.04/10	2020

INTERNSHIPS

6 Simplex Software Solution | Intern — Apr '22-Jun '22

- Worked on GIS-based projects using Javascript and openlayer map.
- Implemented current location tracking features for users.

CERTIFICATION

PHP Developer Certificate — Codeocity

- I have done training in 'PHP'. Learn HTML5, CSS3, JavaScript, jQuery, Bootstrap, PHP, Ajax, MySQL database, phpMyAdmin.
- Enhanced website functionality by implementing PHP-based solutions and optimizing server-side code.
- Work on the live projects. Design the small, different web pages and websites through PHP.

PROJECT

- I worked on multiple projects developing dynamic websites, forms for data collection of various kinds, and created MySQL lead dashboards (with full CRUD functionality) that filtered live leads as they came into the MySQL using AJAX/JQuery. Contribute to fast and scalable hands-on technical solution with intuitive user interface that elevates performance while driving business processes efficiently.
